127.16 ACQUISITION BY IRAN OF CRUISE MISSILES

Mr. GILMAN, pursuant to House Resolution 302, called up the following resolution (H. Res. 188):

Whereas the United States escort vessel U.S.S. Stark was struck by a cruise missile in the Persian Gulf, causing the death of 37 United States sailors;

Whereas the China National Precision Machinery Import-Export Corporation is marketing the C-802 model cruise missile for use against escort vessels such as the U.S.S. Stark;

Whereas the China National Precision Machinery Import-Export Corporation delivered 60 C-802 cruise missiles to Iran for use by vessels of the Iranian Revolutionary Guard Navy;

Whereas Iran is constructing sites and equipment to launch C-802 cruise missiles which will provide its armed forces with a weapon of greater range, reliability, accuracy, and mobility than before;

Whereas 15,000 members of the United States Armed Forces are stationed within the range of the C-802 cruise missiles acquired by Iran;

Whereas the Department of State believes that "[t]hese cruise missiles pose new, direct threats to deployed United States forces";

Whereas the delivery of cruise missiles to Iran is a violation of the Iran-Iraq Arms Non-Proliferation Act of 1992 (50 U.S.C. 1701 note); and

Whereas the executive branch has concluded at present that the known types (of C-802 cruise missiles) are not of a "destabilizing number and type": Now, therefore, be it

Resolved, That the House of Representatives—

(1) finds that the delivery of cruise missiles to Iran is of a destabilizing number and type and, therefore, is a violation of the Iran-Iraq Arms Non-Proliferation Act of 1992 (50 U.S.C. 1701 note); and

(2) urges the executive branch to enforce the Iran-Iraq Arms Non-Proliferation Act of 1992 (50 U.S.C. 1701 note) with respect to the acquisition by Iran of C-802 model cruise missiles.

When said resolution was considered and read twice.

Pursuant to House Resolution 302, the following amendments printed in part 2 of House Report 105-379 were considered as agreed to:

Page 3, line 2, strike "and".

Page 3, line 6, strike the period and insert "; and".

Page 3, after line 6, insert the following:

(3) recommends that the Secretary of State should not issue any visa to, and the Attorney General should not admit to the United States, any national of the People's Republic of China where a consular officer or the Attorney General knows or has reasonable grounds to believe that the applicant has been materially involved in the proliferation of advanced conventional weapons; nuclear, chemical, or biological weapons or technology; or other sensitive or dual-use technologies, in contravention of United States interests.

At the end of the resolving clause, add the following:

SEC. 2. It is the sense of the House of Representatives that—

(1) the President should demand that the Government of Russia take concrete actions to stop governmental and nongovernmental entities in the Russian Federation from providing missile technology and technical advice to Iran, in violation of the Missile Technology Control Regime;

(2) if the Russian response is inadequate, the United States should impose sanctions on the responsible Russian entities in accordance with Executive Order 12938 on the Proliferation of Weapons of Mass Destruction, and reassess cooperative activities with Russia;

(3) the threshold under current law allowing for the waiver of the prohibition on the release of foreign assistance to Russia should be raised; and

(4) the European allies of the United States should be encouraged to take steps in accordance with their own laws to stop such proliferation.

In the preamble, in the next to the last whereas clause, strike "and" after the semicolon.

In the last whereas clause, strike ": Now, therefore, be it", and insert a semicolon.

Insert after the last whereas clause the following:

Whereas there is substantial evidence that missile technology and technical advice have been provided from Russia to Iran, in violation of the Missile Technology Control Regime;

Whereas these violations include providing assistance to Iran in developing ballistic missiles, including the transfer of wind tunnel and rocket engine testing equipment;

Whereas these technologies give Iran the capability to deploy a missile of sufficient range to threaten United States military installations in the Middle East and Persian Gulf, as well as the territory of Israel, and our North Atlantic Treaty Organization ally Turkey; and

Whereas President Clinton has raised with Russian President Boris Yeltsin United States concerns about these activities and the Russian response has to date been inadequate: Now, therefore, be it

Amend the title to read as follows: "Resolution urging the executive branch to take action regarding the acquisition by Iran of C-802 cruise missiles, and expressing the sense of the House of Representatives regarding proliferation of missile technology from Russia to Iran.".

After debate,

Pursuant to House Resolution 302, the previous question was ordered.

The question being put, viva voce,

Will the House agree to said resolution, as amended?

The SPEAKER pro tempore, Mrs. EMERSON, announced that they yeas had it.

Mr. GILMAN objected to the vote on the ground that a quorum was not present and not voting.

A quorum not being present,

The roll was called under clause 4, rule XV, and the call was taken by electronic device.

Ordered, That the Clerk be authorized to make technical corrections in the engrossment of any measure made in order under House Resolution 302, to include corrections in spelling, punctuation, section numbering, and cross-referencing, and to make such other technical and conforming changes as may be necessary to reflect the actions of the House.

¶127.22 PROHIBITION ON ADMISSION TO U.S. OF CERTAIN CHINESE OFFICIALS

Mr. GILMAN, pursuant to House Resolution 302, called up the bill (H.R. 967) to prohibit the use of United States funds to provide for the participation of certain Chinese officials in international conferences, programs, and activities and to provide that certain Chinese officials shall be ineligible to receive visas and excluded from admission to the United States.

When said bill was considered and read twice.

Pursuant to House Resolution 302, the following amendments recommended by the Committee on International Relations as printed in the bill were considered as agreed to:

SECTION 1. CONGRESSIONAL STATEMENT OF POLICY.

It is the sense of the Congress that the President should make freedom of religion one of the major objectives of United States foreign policy with respect of China. As part of this policy, the Department of State should raise in every relevant bilateral and multilateral forum the issue of individuals imprisoned, detained, confined, or otherwise harassed by the Chinese Government on religious grounds. In its communications with the Chinese Government, the Department of State should provide specific names of individuals of concern and request a complete and timely response from the Chinese Government regarding the individuals' whereabouts and condition, the charges against them, and sentence imposed. The goal of these official communications should be the expeditious release of all religious prisoners in China and Tibet and the end of the Chinese Government's policy and practice of harassing and repressing religious believers.

SEC. 2. PROHIBITION ON USE OF FUNDS FOR THE PARTICIPATION OF CERTAIN CHINESE OFFICIALS IN CONFERENCES, EXCHANGES, PROGRAMS, AND AC- TIVITIES.

(a) PROHIBITION.—Notwithstanding any other provision of law, for fiscal years after fiscal year 1997, no funds appropriated or otherwise made available for the Department of State, the United States Information Agency, and the United States Agency for International Development may be used for the purpose of providing travel expenses and per diem for the participation of nationals of the People's Republic of China described in paragraphs (1) and (2) in conferences, exchanges, programs, and activities:

(1) The head or political secretary of any of the following Chinese Government-created or approved organizations:

- (A) The Chinese Buddhist Association.
 (B) The Chinese Catholic Patriotic Association.
 (C) The National Congress of Catholic Representatives.
 (D) The Chinese Catholic Bishops' Conference.
 (E) The Chinese Protestant "Three Self" Patriotic Movement.
 (F) The China Christian Council.
 (G) The Chinese Taoist Association.
 (H) The Chinese Islamic Association.

(2) Any military or civilian official or employee of the Government of the People's Republic of China who carried out or directed the carrying out of any of the following policies or practices:

- (A) Formulating, drafting, or implementing repressive religious policies.
 (B) Imprisoning, detaining, or harassing individuals on religious grounds.
 (C) Promoting or participating in policies or practices which hinder religious activities or the free expression of religious beliefs.

(b) CERTIFICATION.—

(1) Each Federal agency subject to the prohibition of subsection (a) shall certify in writing to the appropriate congressional committees no later than 120 days after the date of enactment of this Act, and every 90 days thereafter, that it did not pay, either directly or through a contractor or grantee, for travel expenses or per diem of any national of the People's Republic of China described in subsection (a).

(2) Each certification under paragraph (1) shall be supported by the following information:

(A) The name of each employee of any agency of the Government of the People's Republic of China whose travel expenses or per diem were paid by funds of the reporting agency of the United States Government.

(B) The procedures employed by the reporting agency of the United States Government to ascertain whether each individual under subparagraph (A) did or did not participate in activities described in subsection (a)(2).

(C) The reporting agency's basis for concluding that each individual under subparagraph (A) did not participate in such activities.

(c) DEFINITION OF APPROPRIATE CONGRESSIONAL COMMITTEES.—For purposes of this section the term "appropriate congressional committees" means the Committee on Foreign Relations of the Senate and the Committee on International Relations of the House of Representatives.

SEC. 3. CERTAIN OFFICIALS OF THE PEOPLE'S REPUBLIC OF CHINA INELIGIBLE TO RECEIVE VISAS AND EXCLUDED FROM ADMISSION.

(a) REQUIREMENT.—Notwithstanding any other provision of law, any national of the People's Republic of China described in section 2(a)(2) (except the head of state, the head of government, and cabinet level ministers) shall be ineligible to receive visas and shall be excluded from admission into the United States.

(b) WAIVER.—The President may waive the requirement in subsection (a) with respect to an individual described in such subsection if the President—

- (1) determines that it is vital to the national interest to do so; and
 (2) provides written notification to the appropriate congressional committees (as defined in section 2(c)) containing a justification for the waiver.

SEC. 4. SUNSET PROVISION.

Sections 2 and 3 shall cease to have effect 4 years after the date of the enactment of this Act.

127.33 US-TAIWAN ANTI-BALLISTIC MISSILE DEFENSE COOPERATION

Mr. GILMAN, pursuant to House Resolution 302, called up the bill (H.R. 2386) to implement the provisions of the Taiwan Relations Act concerning the stability and security of Taiwan and United States cooperation with Taiwan on the development and acquisition of defense military articles.

When said bill was considered and read twice.

Pursuant to House Resolution 302, the following amendment in the nature of a substitute recommended by the Committee on International Relations printed in the bill, modified by the

amendments printed in part 4 of House Report 105-379, was considered as agreed to:

Strike out all after the enacting clause and insert:

SECTION 1. SHORT TITLE.

This Act may be cited as the "United States-Taiwan Anti-Ballistic Missile Defense Cooperation Act".

SEC. 2. FINDINGS.

The Congress finds the following:

(1) The stability and security of Taiwan and the balance of power in the Taiwan Strait are key elements for the continued peace and stability of the greater Asia-Pacific region, and the indefinite continuation of such stability and security and balance of power is in the vital national security interest of the United States.

(2) The People's Republic of China is currently engaged in a comprehensive military modernization campaign that is enhancing the power-projection capabilities of the People's Liberation Army, including the introduction of advanced ballistic and cruise missiles that could alter the current balance of power in the Taiwan Strait and in the greater Asia-Pacific region.

(3) The current lack of transparency in the People's Republic of China military infrastructure and its associated defense establishment and the opaqueness of the comprehensive efforts of the People's Liberation Army to modernize its ballistic and cruise missile programs could spark a regional arms race that would destabilize the East Asia and Western Pacific regions and threaten vital United States national security interests.

(4) In March 1996, the People's Liberation Army created a temporary, but de facto, blockade of both the international shipping lanes of the Taiwan Strait and the international airspace around Taiwan by conducting live-fire military exercises which included the launch of several advanced, nuclear-capable M-9 ballistic missiles to target areas close to major ports in both the northern and southern areas of Taiwan.

(5) In March 1996, the locations of People's Liberation Army military activities and M-9 missile target areas nearby to Taiwan's two largest ports, Keelung and Kaohsiung, created a de facto blockade of the Taiwan Strait, international waters and airspace, interfered with United States and international shipping and aviation, and impinged upon the national security interests of the United States, requiring the immediate deployment of two United States aircraft carrier battle groups to the South China Sea.

(6) The actions of the People's Liberation Army in such close proximity to Taiwan were deliberate attempts to disrupt Taiwan's social and economic stability and were carried out as attempts to intimidate the people of Taiwan during the period leading up to Taiwan's historic first democratic presidential election.

(7) The early development and deployment of an effective United States theater missile defense system to the Asia-Pacific region, and the adjustment of United States policy to include Taiwan, including the Penghu Islands, Kinmen, and Matsu, under the protection of such defense system, would be prudent and appropriate responses to—

(A) the refusal by the People's Republic of China to renounce the use of force to determine the future of Taiwan;

(B) the nature of the military threat of the People's Republic of China posed by the increased focus of the People's Liberation Army on advanced missile development; and

(C) the demonstrated intent of the Government of the People's Republic of China to use live-fire military exercises and ballistic

missile tests against the people and Government of Taiwan as tools of so-called coercive diplomacy.

(8) The early deployment of a United States theater anti-ballistic missile system in the Asia-Pacific region would maintain a balance of power in the Taiwan Strait and deter the People's Republic of China from resorting to military intimidation tactics to coerce or manipulate the people and freely-elected Government of Taiwan in the future.

(9) While Taiwan is currently acquiring a local aircraft and ballistic and cruise missile defense capability in the form of the Modified Air Defense System (MADS), a larger portion of Taiwan's territory and population would be protected if this system were expanded to include a defense of the Taichung region, Kaohsiung, the Penghu Islands, Kinmen, and Matsu from limited ballistic missile attacks and a deterrent against the threat and use of force against Taiwan by the People's Liberation Army to achieve the political goals of the core leadership of the People's Republic of China.

(10) Taiwan has requested further United States cooperation on missile defense, including the conduct of a joint architecture study of the requirements for the establishment and operation of a missile defense system for Taiwan, including the Penghu Islands, Kinmen, and Matsu.

(11) On June 9, 1898, the "Convention Respecting an Extension of Hong Kong Territory" was agreed to between representatives of the governments of Great Britain and China to lease the New Territories for the period of 99 years beginning on July 1, 1898.

(12) On December 19, 1984, the "Sino-British Joint Declaration", agreed to between representatives of the governments of Great Britain and China, established the terms for the return to China on July 1, 1997, of the Hong Kong area (including the Hong Kong Island, Kowloon, and the New Territories (hereafter in this resolution referred to as "Hong Kong").

(13) No treaties exist between the People's Republic of China and Taiwan which determine the future status of Taiwan.

(14) The People's Republic of China attempts to apply to Taiwan the formula commonly known as "one country, two systems" in an effort to annex Taiwan to China.

(15) The People's Republic of China has refused to renounce the use of force against Taiwan and held military exercises in the Taiwan Strait in March 1996 in an attempt to intimidate the people of Taiwan in their first presidential elections.

(16) The Taiwan Relations Act states that "[i]t is the policy of the United States . . . to consider any effort to determine the future of Taiwan by other than peaceful means, including by boycotts or embargoes, a threat to the peace and security of the Western Pacific area and of grave concern to the United States".

SEC. 3. STUDY AND REPORT RELATING TO ESTABLISHMENT AND OPERATION OF A THEATER BALLISTIC MISSILE DEFENSE SYSTEM IN THE ASIA-PACIFIC REGION.

(a) STUDY.—The Secretary of Defense shall carry out a study of the architecture requirements for the establishment and operation of a theater ballistic missile defense system in the Asia-Pacific region that would have the capability to protect Taiwan from ballistic missile attacks. The study shall include a description of appropriate measures by which the United States would cooperate with Taiwan and provide Taiwan with an advanced local-area ballistic missile defense system.

(b) REPORT.—Not later than July 1, 1998, the Secretary of Defense shall submit to the Committee on National Security of the House of Representatives and the Committee

on Armed Services of the Senate a report containing—

(1) the results of the study conducted under subsection (a);

(2) the factors used to obtain such results;

(3) a description of any existing United States missile defense system that could be transferred to Taiwan in accordance with the Taiwan Relations Act in order to allow Taiwan to provide for its self-defense against limited ballistic missile attacks.

(c) FORM OF REPORT.—The report under subsection (b) shall be submitted in both classified and unclassified form.

SEC. 4. TRANSFER OF BALLISTIC MISSILE DEFENSE SYSTEMS TO TAIWAN.

It is the sense of the Congress that the President, if requested by the Government of Taiwan and in accordance with the results of the study conducted under section 3, should transfer to the Government of Taiwan appropriate defense articles or defense services under the foreign military sales program under chapter 2 of the Arms Export Control Act (22 U.S.C. 2761 et seq.) for the purpose of establishing and operating a local-area ballistic missile defense system to protect Taiwan, including the Penghu Islands, Kinmen, and Matsu, against limited ballistic missile attacks.

SEC. 5. STATEMENT OF POLICY RELATING TO UNITED STATES THEATER MISSILE DEFENSES FOR THE ASIA-PACIFIC REGION.

The Congress declares that it is in the national interest of the United States that Taiwan be included in any effort at ballistic missile defense cooperation, networking, or interoperability with friendly and allied nations in the Asia-Pacific region.

SEC. 6. SENSE OF THE CONGRESS URGING THE PRESIDENT TO MAKE CLEAR TO THE PEOPLE'S REPUBLIC OF CHINA THE COMMITMENT OF THE AMERICAN PEOPLE TO SECURITY AND DEMOCRACY IN TAIWAN.

It is the sense of the Congress that the Clinton Administration should make clear to the leadership of the People's Republic of China, the American people's firm commitment for security and democracy for the people of Taiwan and that the United States fully expects that the resolution of security issues on both sides of the Taiwan Strait will be resolved by peaceful means.

SEC. 7. ADDITIONAL SENSE OF THE CONGRESS REGARDING TAIWAN.

It is the sense of the Congress that—

(1) the transfer of Hong Kong to the People's Republic of China does not alter the current and future status of Taiwan;

(2) the future of Taiwan should be determined by peaceful means through a democratic process; and

(3) the United States should assist in the defense of Taiwan in case of threats or military attack by the People's Republic of China against Taiwan.

After debate,

Mr. BEREUTER, by unanimous consent, submitted the following amendment which was agreed to:

In section 7(3) after the word "States" insert the following: ", in accordance with the Taiwan Relations Act and the constitutional processes of the United States,".

After further debate,

Pursuant to House Resolution 302, the previous question was ordered.

The bill, as amended, was ordered to be engrossed and read a third time, was read a third time by title.

The question being put, viva voce,

Will the House pass said bill?

The SPEAKER pro tempore, Mr. GIBBONS, announced that the yeas had it.

Mr. GILMAN objected to the vote on the ground that a quorum was not present and not voting.

A quorum not being present,

The roll was called under clause 4, rule XV, and the call was taken by electronic device.

127.39 COMMUNIST CHINA SUBSIDY REDUCTION

Mr. SOLOMON, pursuant to House Resolution 302, called up the bill (H.R. 2605) to require the United States to oppose the making of concessional loans by international financial institutions to any entity in the People's Republic of China.

When said bill was considered and read twice.

Pursuant to House Resolution 302, the following amendments printed in part 5 of House Report 105-379 were considered as agreed to:

At the end insert the following new section:

SEC. 4. PRINCIPLES THAT SHOULD BE ADHERED TO BY ANY UNITED STATES NATIONAL CONDUCTING AN INDUSTRIAL COOPERATION PROJECT IN THE PEOPLE'S REPUBLIC OF CHINA.

(a) PURPOSE.—It is the purpose of this section to create principles governing the conduct of industrial cooperation projects of United States nationals in the People's Republic of China.

(b) STATEMENT OF PRINCIPLES.—It is the sense of the Congress that any United States national conducting an industrial cooperation project in the People's Republic of China should:

(1) Suspend the use of any goods, wares, articles, or merchandise that the United States national has reason to believe were mined, produced, or manufactured, in whole or in part, by convict labor or forced labor, and refuse to use forced labor in the industrial cooperation project.

(2) Seek to ensure that political or religious views, sex, ethnic or national back-

ground, involvement in political activities or nonviolent demonstrations, or association with suspected or known dissidents will not prohibit hiring, lead to harassment, demotion, or dismissal, or in any way affect the status or terms of employment in the industrial cooperation project. The United States national should not discriminate in terms or conditions of employment in the industrial cooperation project against persons with past records of arrest or internal exile for nonviolent protest or membership in unofficial organizations committed to non-violence.

(3) Ensure that methods of production used in the industrial cooperation project do not pose an unnecessary physical danger to workers and neighboring populations or property, and that the industrial cooperation project does not unnecessarily risk harm to the surrounding environment; and consult with community leaders regarding environmental protection with respect to the industrial cooperation project.

(4) Strive to establish a private business enterprise when involved in an industrial cooperation project with the Government of the People's Republic of China or other state entity.

(5) Discourage any Chinese military presence on the premises of any industrial cooperation projects which involve dual-use technologies.

(6) Undertake to promote freedom of association and assembly among the employees of the United States national. The United States national should protest any infringement by the Government of the People's Republic of China of these freedoms to the International Labor Organization's office in Beijing.

(7) Provide the Department of State with information relevant to the Department's efforts to collect information on prisoners for the purposes of the Prisoner Information Registry, and for other reporting purposes.

(8) Discourage or undertake to prevent compulsory political indoctrination programs from taking place on the premises of the industrial cooperation project.

(9) Promote freedom of expression, including the freedom to seek, receive, and impart information and ideas of all kinds, regardless of frontiers, either orally, in writing or in print, in the form of art, or through any media. To this end, the United States national should raise with appropriate authorities of the Government of the People's Republic of China concerns about restrictions on the free flow of information.

(10) Undertake to prevent harassment of workers who, consistent with the United Nations World Population Plan of Action, decide freely and responsibly the number and spacing of their children; and prohibit compulsory population control activities on the premises of the industrial cooperation project.

(c) PROMOTION OF PRINCIPLES BY OTHER NATIONS.—The Secretary of State shall forward a copy of the principles set forth in subsection (b) to the member nations of the Organization for Economic Cooperation and Development and encourage them to promote principles similar to these principles.

(d) REGISTRATION REQUIREMENT.—

(1) IN GENERAL.—Each United States national conducting an industrial cooperation project in the People's Republic of China shall register with the Secretary of State and indicate that the United States national agrees to implement the principles set forth in subsection (b). No fee shall be required for registration under this subsection.

(2) PREFERENCE FOR PARTICIPATION IN TRADE MISSIONS.—The Secretary of Commerce shall consult the register prior to the selection of private sector participants in any form of trade mission to China, and un-

dertake to involve those United States nationals that have registered their adoption of the principles set forth above.

(e) DEFINITIONS.—As used in this section—
(1) the term "industrial cooperation project" refers to a for-profit activity the business operations of which employ more than 25 individuals or have assets greater than \$25,000; and

(2) the term "United States national" means—

(A) a citizen or national of the United States or a permanent resident of the United States; and

(B) a corporation, partnership, or other business association organized under the laws of the United States, any State or territory thereof, the District of Columbia, the Commonwealth of Puerto Rico, or the Commonwealth of the Northern Mariana Islands.

At the end insert the following new section:

SEC. 5. PROMOTION OF EDUCATIONAL, CULTURAL, SCIENTIFIC, AGRICULTURAL, MILITARY, LEGAL, POLITICAL, AND ARTISTIC EXCHANGES BETWEEN THE UNITED STATES AND CHINA.

(a) EXCHANGES BETWEEN THE UNITED STATES AND CHINA.—Agencies of the United States Government which engage in educational, cultural, scientific, agricultural, military, legal, political, and artistic exchanges shall endeavor to initiate or expand such exchange programs with regard to China.

(b) SENSE OF CONGRESS.—It is the sense of the Congress that a federally chartered not-for-profit organization should be established to fund exchanges between the United States and China through private donations.

After debate,

Pursuant to House Resolution 302, the previous question was ordered.

The bill, as amended, was ordered to be engrossed and read a third time, was read a third time by title.

Mr. TAYLOR of Mississippi moved to recommit the bill to the Committee on Ways and Means with instructions to report the bill back to the House forthwith with the following amendment:

At the end of the bill insert the following:

SEC. 4. QUARTERLY ADJUSTMENT OF TARIFFS ON PRODUCTS OF THE PEOPLE'S REPUBLIC OF CHINA.

(A) QUARTERLY DETERMINATIONS BY SECRETARY OF THE TREASURY.—The Secretary of the Treasury shall determine, at the end of each calendar quarter—

(1) the dollar amount of tariffs paid to the People's Republic of China during that quarter by persons for exporting goods and services from the United States to the People's Republic of China; and

(2) the dollar amount of tariffs paid to the United States during that quarter by persons for importing goods and services from the People's Republic of China into the United States.

(b) ADJUSTMENT OF TARIFFS.—Notwithstanding any other provision of law, the Secretary of the Treasury shall adjust the tariffs on all products of the People's Republic of China so that an amount is collected on imports of products of the People's Republic of China, during the 3-month period beginning 30 days after the end of the calendar quarter for which a determination is made under subsection (a), equal to the amount by which the dollar amount computed under paragraph (1) of subsection (a) exceeds the dollar amount computed under paragraph (2) of subsection (a).

Pending consideration of said motion,

¶127.40 POINT OF ORDER

Mr. SOLOMON made a point of order against the motion to recommit with instructions, and said:

"Mr. Speaker, I make a point of order against the motion to recommit with instructions.

"Mr. Speaker, the motion to recommit with instructions is not germane to this underlying bill. The fundamental purpose, or common thread, of the bill is very narrow and only concerns concessional loans to China. The range of methods employed in the bill is similarly narrow, and the bill is within the jurisdiction of the Committee on Banking and Finance.

"The motion, however, deals with the reciprocal tariff treatment of products of China. This is clearly not within the very narrow purpose of this bill. The issue of tariffs is also outside the range of methods employed in this bill and contains matter within the jurisdiction of the Committee on Ways and Means.

"There has been a protocol under previous Democrat leadership and Republican leadership today that amendments of this nature which would either raise or lower tariffs or raise or lower taxes are not allowed in motions to recommit on the floor. They must clear with the Committee on Ways and Means first.

Therefore, the motion to recommit with instructions is not germane, and I urge the Chair to sustain the point of order."

Mr. TAYLOR of Mississippi was recognized to speak to the point of order, and said:

"Mr. Speaker, as much as any Member of this body lives and breathes, this amendment is very much germane. Mr. SOLOMON'S bill does one thing. It directs the Secretary of the Treasury to kind of something, do something about the Chinese Communists. My amendment directs the Secretary of the Treasury to do something about the gross injustice between what the Communist Chinese charge American products when our products go to their country and the fact that they only pay 2 percent when they come to ours. Why are we doing this? Why were there 5 votes in the past 2 days? It is because they force abortions, it is because they are thugs, they do not have religious freedom, they do not have political freedom. They are selling missiles and weapons to our enemies. They are buying ports on both ends of the Panama Canal.

"Mr. Speaker, as I said, every bill that we have voted on is trying to affect Chinese policy. This bill is asking the Secretary of the Treasury to take steps to affect Chinese policy. My amendment asks the Secretary of the Treasury to take substantial, realistic steps to affect Chinese policy. We are only going to get one last chance this session to do something substantive. As I have pointed out, the Committee on Rules has voted against bills that they are cosponsors of.

"Mr. Speaker, I am asking the Members of this House to do what each of us begged for the opportunity to do every other year, and, that is, stand up for the rights of the American citizens, to strike a blow against the thugs when we get the chance. Tonight we have a chance. Tonight we can decide that we will have some lame excuse and go back and tell the constituents of each of our individual districts, that, "Dog-gone it, we couldn't do anything about those Chinese thugs because the Rules Committee said we weren't germane." Or we can say that there are some things more important than the rules of the House in the integrity of this Nation, simple things like right and wrong, simple fairness for the American working people. That is more important than the rules of the House that can be changed at any moment. That is what I am asking Members of this body to vote on, and that is why I am asking Members to vote against tabling this motion and then turn around to vote for this motion to recommit so that all of these things that have done nothing will at least be followed up by a measure that does something for the people of America and gets the attention of the thugs in Peking."

The SPEAKER pro tempore, Mr. BLUNT, sustained the point of order, and said:

"The gentleman from New York [Mr. SOLOMON] makes the point of order that the amendment proposed in the motion to recommit is not germane.

"The test of germaneness in this situation is the relationship of the amendment proposed in the motion to recommit to the provisions of the bill as a whole.

"The bill, H.R. 2605, provides that the Secretary of Treasury instruct the United States Executive Directors to oppose concessional loans at each international financial institution to the People's Republic of China, any citizen or national of the People's Republic of China, or any entity established in the People's Republic of China.

"The amendment proposed in the motion to recommit would amend the tariff schedules of the United States to achieve reciprocity between the aggregate amount of Chinese tariffs on American products and the aggregate amount of American tariffs on Chinese products.

"As noted in section 798c of the House Rules and Manual, to be germane an amendment should address the same legislative jurisdiction as is addressed in the bill. Here, although the bill addresses the jurisdiction of the Committee on Banking and Financial Services, the amendment addresses the jurisdiction of the Committee on Ways and Means.

"On this basis, the Chair finds that the amendment is a "proposition on a subject different from that under consideration" within the meaning of clause 7 of rule XVI. That is, the amendment is not germane. The point of order is sustained. The motion to recommit is not in order."

Mr. TAYLOR of Mississippi appealed the ruling of the Chair.

The question being put, viva voce,

Will the decision of the Chair stand as the judgment of the House?

Mr. COX moved to lay the appeal on the table.

The question being put, viva voce,

Will the House lay on the table the appeal of the ruling of the Chair?

The SPEAKER pro tempore, Mr. BLUNT, announced that the yeas had it.

Mr. TAYLOR of Mississippi objected to the vote on the ground that a quorum was not present and not voting.

A quorum not being present,

The roll was called under clause 4, rule XV, and the call was taken by electronic device.
